Nadia Karim

Machine Learning Engineer

nadia.karim@example.com | +212 600 000 505 | London, United Kingdom

PROFILE

Machine learning engineer building reproducible data pipelines and monitored predictive services.

SKILLS

Python | Machine Learning | Scikit-learn | TensorFlow | Pandas

EXPERIENCE

Machine Learning Engineer | Synthetic Vision Labs, London
Jan 2024 - Present
- Built evaluation pipelines and deployed monitored prediction services.

EDUCATION

Master en Artificial Intelligence
Westbridge University, London
2021 - 2023

LANGUAGES

English - Fluent
French - Intermediate
Arabic - Native

CERTIFICATIONS

Machine Learning Specialization | Coursera 2024
